

## **Major Gifts: Memberships Campaign**

*Suggested Letter To Be Sent To Prospects In Advance Of Personal Contacts To Be Made By The Campaign Committee*

Dear (Personalized, as possible, by the Chairperson):

As Chair of Erie's Will-To-Work's new Special Memberships Campaign Committee, I do want to thank you for your previous support to our Annual Fund in the amount of \$ \_\_\_\_\_, given in \_\_\_\_\_. We trust that you are proud and pleased that your contributions have helped in great measure to improve and maintain our programs and services---services that encourages people to "work" their way out of poverty, and achieve a better quality of life through full-time employment.

As well, I am asking that you renew your valuable support for this year to the Annual Fund with your thoughtful consideration to become a member of our newly-developed *Empowerment Society* when WTW Trustee, \_\_\_\_\_ contacts you within the next several days. At that time \_\_\_\_\_ will answer any questions you might have as well as review with you the various services we can provide to our non-paying clients as a result of your contribution of \$ \_\_\_\_\_. A few of those benefits your gift would make possible are:

- Seventy-five hours of craftsman training and instruction
- Fourteen new computers and printers
- Purchases of nearly 200 new and revised training and operating manuals

The enclosed *Empowerment Society* brochure further details that information and other membership-related facts as well.

Since you do provide your significant and important support to the WTW, you are aware that the excellent quality and high standards inherent in our job training programs are expensive. That is why our new membership program and volunteer committee have been established. We must continue to maintain and preserve one of the finest job training organizations in the State. And, we can meet those objectives with the leadership major gifts essential to the success of this type of campaign.

Therefore, our new membership campaign is designed to reach an established number of our special friends, who, we trust, will respond generously to the amounts of contributions we are respectfully suggesting. Please welcome \_\_\_\_\_ when she calls to ask for your renewed, and hopefully, increased gift to become a member of our new *Empowerment Society*. Whatever you choose to give will be greatly appreciated.

Thank you very much.

Gratefully,

\_\_\_\_\_, Chairperson
